Skills

General skills

Analytical mind
Self-educating

Operating systems

Excellent knowledge of Linux and Unix environments (Linux, BSD, Solaris)
Excellent knowledge of Mac OS X environments
Good knowledge of VMware vSphere environments (ESXi, vCenter, vMotion, HA, DRS, ...)
Good knowledge of Windows Server environments

Networking

Excellent knowledge of manageable ethernet equipment (routers, switches, Cisco, Juniper, ...)
Excellent knowledge of Firewalls (Juniper, Fortinet, Endian, Software firewalls like IPtables, ipfw, ...)
Excellent knowledge of Topology and Routing

Software

Scripting (Bash, Perl) Apache, MySQL, PostgreSQL, Bind, LDAP, SSH, SSL, Postfix, qmail, IRCd, Shorewall, Microsoft services, Active Directory, Exchange, Backup solutions, ...

Programming Languages

PHP5, Perl, Java, Python, JSP, SQL, Bourne shell, Bash, XHTML, XML, XSL, HTML, CSS, Javascript, L^AT_EX, ...

Extracurricular Activities

Student IT vzw: Founder & President, Functional & Technical analyst, Developer

ULYSSIS: Vice-President (2006-2009), Member (2004-2009)

Lanworks: Network Administrator

Languages

Dutch: Mother tongue

English:

Conversation: Fluent
Writing: Good

French:

Understanding: Good
Conversation: Average
Writing: Average
